### Assumption of risk **Initial: _____**

I understand that the Muster includes physically demanding fire service skills events, including hose drags, dummy and tire drags, turnout and breathing apparatus changes, hydrant and hose connections, water handling and running. These activities carry risks including, but not limited to, falls, strains, sprains, broken bones, heat illness, dehydration, cuts, bruises, injury from equipment or water pressure, and in rare cases serious injury or death. I am participating voluntarily and I accept these risks.

### Release of liability **Initial: _____**

In exchange for being allowed to participate, I release, waive and agree not to sue the City of Murrieta, Murrieta Fire & Rescue, the MFR Cadet Program, and their officials, employees, volunteers, cadets and agents from any claim for injury, illness, death or property loss arising from my participation in the Muster, to the fullest extent permitted by law. This release does not apply to gross negligence or willful misconduct.

### Medical treatment **Initial: _____**

I am physically able to take part in strenuous activity and have no medical condition that would make it unsafe, except as listed on this form. If I am injured or become ill, I authorize event staff to give first aid and to call for emergency medical services and transport to a hospital. I am responsible for any resulting medical costs.

### Rules and conduct **Initial: _____**

I have read the Muster rules. I will wear the required PPE, follow the directions of officials and event staff, and show good sportsmanship. Officials' decisions are final. I understand I can be removed from an event or the Muster for unsafe behavior or for not following the rules.

### Photos and video **Initial: _____**

I agree that photos and video taken at the Muster that may include me can be used by Murrieta Fire & Rescue and the MFR Cadet Program on their website, social media and promotional materials, without payment.
